

Testing

Component #1: Post code checker

Expected behaviour:

Should allow users to access the menu only if a postcode within 5 miles is entered or collection is clicked.

Test cases:

Action	Response	Functioning correctly
Postcode field is empty, Delivery is clicked	"Please enter a valid postcode"	Yes
NE1 2BW, Delivery clicked	"Sorry, your address is too far away. Alternatively, you can select collection."	Yes
NE25 0DN	User is taken to the menu page	Yes
Postcode field is empty, Collection clicked	User is taken to the menu page	Yes
NE1 2BW, Collection Clicked	User is taken to the menu page	Yes

Component #2: Menu Item

Expected behaviour:

Allows user to pick an ice-cream size, add more or take away ice-creams, and add the flavour to the cart / basket

Test cases:

Action	Response	Functioning correctly
"-" button is clicked 2 times	No change occurs as 1 is the minimum possible order	Yes
"+" button is clicked 3 times	Count is now 4	Yes
Drop-down menu is clicked; M size is chosen	The drop-down menu preview shows the updated size and price: M - £2.25. the count resets to 1.	Yes
Add To Cart is clicked	Item appears in the Basket Summary Component	Yes

Component #2: Basket Summary Component in Menu

Expected behaviour:

Users can add or take away the number of ice-creams in their order. User can also remove flavours from their order

Test cases:

Action	Response	Functioning correctly
"-" button is clicked 2 times on the first item(count is 2)	First click changes count to 1, the count remains at 1 after the second click. The price in the price column goes down from £4.5 to £2.25.	Yes
"+" button is clicked 3 times on the first item (count is 1)	Count is now 4	Yes
"x" is clicked on first item.	Vanilla (Dairy-Free) is removed from basket	Yes
Checkout is clicked, empty basket	"Please add a product to your cart"	Yes
Checkout is clicked	User is redirected to checkout page	Yes

Component #3: Checkout page and modified Basket Summary Component

MY DETAILS

*Fields marked with an asterisk must be filled in to proceed

First name * Last name *

Telephone *

Email *

ex: myname@example.com

Billing address *

Billing Postcode *

Collection time *

ASAP

Payment Method *

Credit card

Name on card * Card number *

Expiration Date *

MM / YY

Security code *

Your security code is the last three digits on the signature strip on the back of

FLAVOUR	QUANTITY	SIZE	PRICE
Vanilla(Dairy-Free)	2	M	£4.5

Total Price: £4.5

Back to menu Place Order

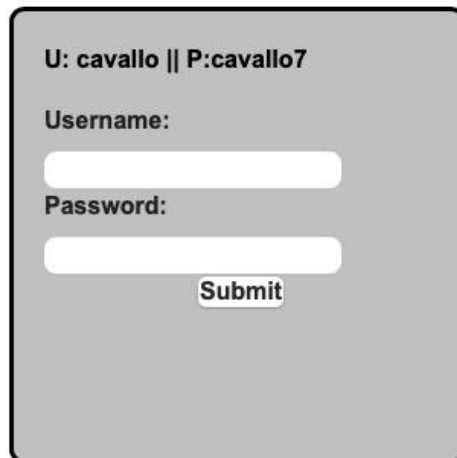

Expected behaviour:

User inputs address and payment details. The basket component now has different buttons. “Back to Menu” and “Place Order” buttons replace the previous “Checkout” button

Test cases:

Action	Response	Functioning correctly
